### **"MusiKinesis: A Contemporary Approach to the Dalcroze Method"**

Experience first-hand Monica Dale's engaging curriculum for young children. MusiKinesis maintains the principles and techniques of the Jaques-Dalcroze method while providing practical ideas and materials designed for today's children. Classes focus on Eurhythmics, flexible ideas for pitch studies, and piano improvisation geared specifically for use in children's classes. Materials also include formulas for lesson design, original work of Jaques-Dalcroze, and creative music and movement stories children love!

**August 16-18, 2010 10:00-3:00** \$280 Taught by Monica Dale
